Description and Disbursement Procedures

There will be two scholarships. The first scholarship will be for \$1,500. The amount of the second scholarship will be not less than \$850, the exact amount to be determined by the officers of the BHS Alumni Association and dependent on the contributions of alumni to the scholarship fund. At graduation each scholarship winner will be given a certificate and an award letter.

The committee shall select one student for each scholarship and a third student as alternate. If one of the scholarship recipients elects not to go on to school, the alternate will be given the second scholarship, but the alternate must provide proof that s/he is enrolled in a post-secondary educational institution. If the alternate does not qualify for the scholarship, the money will remain in the BHS Alumni Association scholarship fund.

Payments will be made in two equal installments. The first installment shall be paid out at the start of the first semester, and the second payment will be made at the start of the second semester. If the school or training program is not based on the semester plan, the payment of the scholarship will be adjusted accordingly. The money will be sent at the beginning of each semester or term to the financial aid office of the school of the student's choice. If the student does not enroll for a second semester, the money will go to the alternate.

Scholarship Continuance

The BHS Alumni Association will request that each member donate a minimum of \$10 per year for the scholarship fund.
